

SPECIFICATION

ROBUR B Hand Pushed Battery Lift Stacker

This ergonomic hand pushed battery lift stacker is ideal for vehicle loading, pallet stacking and serving mezzanine floors. Easy maintenance and low running costs ensure a highly economic handling solution. Suitable for use with Euro and non bottom-boarded pallets.

- 1000kg capacity @ 600mm load centres
- Lift heights: 1600, 2500, 3000, 3500mm
- Battery lift
- Lift speed 0.14mm per second
- Controlled lowering
- Castor brakes on steering wheels
- Load back rest
- Rear wheel tiller steering
- Vulkollen steer wheels
- Vulkollen load rollers
- Large capacity battery
- Built in automatic charger
- Highly manoeuvrable
- Strong, durable construction
- Low noise levels
- Painted 'safety' yellow and black
- All models are CE marked
- Options: adjustable forks, straddles 850 - 1300mm (for bottom-boarded pallets) capacities 600, 1200kg, air and battery lift models, **stainless steel model**
