

SPECIFICATION

ROBUR WP Series Work Positioner

The WP Work Positioner combines the functions of a hand pallet truck and mobile lift table. An adjustable working height helps eliminate operator back strain and injury from stooping.

- Capacities: 700, 1000kg
- Lift height: 820mm
- Hand or battery lift models
- Two total stop brakes as standard
- Controlled lowering safety valve
- Rear stabilising castor wheels
- Ideal for loading and unloading pallets
- Pallets can be stacked and loaded onto vehicles
- Can be used safely at any height
- For use with Euro and non bottom-boarded pallets
- Painted 'safety' yellow and black
- All models are CE Marked

Model		WP70H	WP70B	WP100H	WP100B
Maximum capacity @ 600mm load centres (kg)		700	700	1000	1000
Lift height (mm)	H3	820	820	820	820
Lowered fork height (mm)	H1	90	90	90	90
Wrap-over forks length x width (mm)	I x M	1140 x 530	1140 x 530	1140 x 530	1140 x 530
Overall truck length including forks (mm)	L	1620	1620	1620	1620
