

## Aftercare Plan >

protecting your assets  
and people

By managing your Stanley equipment proactively with our Aftercare Plan, we can help your business reduce downtime and keep your workforce safe. This involves regular servicing of machines, routine inspections, testing and when necessary, the replacement of worn parts.

As well as ensuring your peace of mind, our Aftercare Plan delivers many exclusive benefits and additional savings that are available to customers with multiple units. Every service is carried out by Stanley's certified technicians at your premises or at our fully equipped workshop.

### Stanley's Aftercare Plan includes:

- > Additional 1 year parts and labour warranty on new machines
- > Option of equivalent loan machine
- > Fixed cost servicing
- > Service reminder
- > Priority breakdown attendance
- > Extra 5% discount on parts
- > 30% discount on servicing at Stanley's workshop
- > TE Certification
